The Thorntonite • 1951

The students of Thornton Township High School present with pride the thirty-sixth edition of their yearbook. Although it was put together in much the same fashion as the first edition—the notes, the photographer, the printer's deadline—a student of 1915 would hardly recognize the latest book, recording the year 1950-51. The THORNTONITE made its first appearance with only thirty-two pages.

Down thru the years, as the school has grown, the yearbook has kept pace with it proportionately. Naturally, as in this edition there are 256 pages, it has meant more work for everyone—more pictures to be taken, more ads to be solicited, more copy to be written. Now that this task has been completed, and the dummy has been changed into a pictorial record of another year at Thornton, the Thorntonite staff leans back, heaves a sigh, and hands to you the yearbook.

Thornton Township High School, Harvey, Illinois

Thorntonites in 1951 . . . had many days both in and out of the classroom. Everything from term papers and exams to dances and football games, with the homework perhaps taking a slight precedence over the extra-curricular activities. Each of us found our own particular field of interest to explore. There was Joyce Hay, active in KIP, Thornton's student council. Some of us made the honor roll, like Rolland Bethards. Some of us, like Bill Edwards, became leaders in other fields such as sports and Boys Club and Girls Club work. The many activities in the various clubs gave each of us a chance to try our hand at committee work. Our KIP and Purple X accomplished much in the way of providing worthwhile social activities and, in general, improving our already high standards of sportsmanship, conduct, and character. In all of these projects, we were given friendly guidance and encouragement from such sympathetic and understanding faculty members as Mr. French, a sponsor of the KIP.

1951 . . . was a year in which suede shoes, corduroys, and levis increased their popularity, and more important, a year when our armed forces were increased in Korea and other far-away places.

Even though our minds were troubled with the affairs of the day, we went through our regular routines, living each day as it came. As in the years past, we congregated each morning near the Lincoln statue, in the KIP office, and in

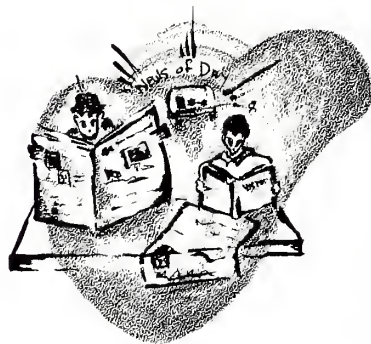

the Boys Club office to discuss our teachers, dates, and homework. At the

sound of the first bell we would scatter to our respective homerooms to begin another day.

In some ways, this year was no different from years past. Yet in others, it was distinctly 1951. We had a new superintendent, Mr. Birkhead, to guide us. Citizenship cards were done away with.

Eighth period was more difficult to get off, the PA system was no longer used for the morning announcements, and interviews had the “new” look.

and cheered us on to victory when we were the winners. Ken Groeneveld and Carole McCarthy headed the Boys and Girls Clubs. Somehow those leaders of a year ago were capably replaced and the need for new leaders fulfilled.

for a variety of futures in a very personal fashion, we made use of all the facilities provided for us. In the Business department we learned to follow regular office procedure. In Salesmanship we prepared a sales display on which to practice the principles of selling as they had been taught to us. We built strong bodies with the expensive gymnasium equipment at our disposal. In Auto Mechanics we worked on actual cars. We cooked and sewed in Home Ec and produced plays in Dramatics. In Journalism we got a taste of newspaper publishing and discovered the difficulties of assembling a yearbook. We made our own pottery in Art class with the use of the kiln. The important thing was, however, that no matter what the class, we learned by doing. We proved time and time again that "experience is the best teacher."

Home Economics

The appetizing aroma of food being prepared, the humming music of the sewing machine, the clipping of scissors cutting the cloth, are all the work of the girls in the Home Economics department. It is here under the leadership of Miss Reed, the head of the department, that the future homemakers of America get their start. The three year course offers girls opportunities in preparing garments and food and work in home management.

Readin', 'Ritin', and 'Rithmetic, the three R's of learning, are the foundations of Thornton's educational system.

Readin' supplies are handled by the rental library and the school library where Thorntonites can read educational tales of adventure and experience.

Thornton's 'ritin' abilities are expressed in "Profiles", publication of the Pierian Club, and in the weekly and annual Thorntonites, the school newspaper and yearbook.

'Rithmetic is known to the students under the titles of Business Math, Algebra, Solid and Plane Geometry, Trig, and Math III.

Science

Our Science department offers us a chance to learn more of the world about us. In our General Science classes we study the basic principles in many varied fields of science. We study the lives of plants and animals in our biology classes, and we discover a new and fascinating world as we examine under a microscope such articles as leaves, human hair, and stagnant water. In our chemistry labs we learn the physical and chemical properties of ordinary table salt, iodine, chlorine, and other substances, and we learn interesting facts about such things as refrigeration and bleaching. In our physics classes we make a generalized study of matter in relation to heat, electricity, motion, and other related forms of energy.

Arts

Some of us found our particular interest in the field of Art. We took various types of art, such as Crafts, Jewelry, Pottery, or Advanced Art. In Crafts we made projects in leather, plastics, and textiles. In Jewelry we made metal bracelets, rings, or other objects. If we chose Pottery, we made bowls and figurines, and those of us who took Advanced Art made posters for the various dances and plays held during the year. The art courses proved to be very interesting and popular.

Business

The Business department offers courses which train its students to become skilled in a vocation. It acquaints us with the value of goods and also with the many services performed in the business field.

The Salesmanship class gives us some practical training both in arranging merchandise and in selling it.

Some of the varied subjects offered in the Business curriculum are bookkeeping, retail selling, shorthand, typing, organization and management, economics, math, correspondence, commercial geography, and salesmanship.

Kitchen

The cafeteria kitchen is perhaps the most vital part of Thornton. Why? That's where our meals are prepared, of course. It takes many willing, quick, and skilled hands to prepare the lunches for our hungry students each day. Miss Waterman and her assistants begin working early in the morning and stay even after dismissal in the afternoon. They prepare dinners and banquets for Thornton's organizations. They help with refreshments at parties.

Student helpers act as cashiers and as clean-up squad.

Speech & Drama

Those of us who had dramatic aspirations satisfied our ambitions in the ways provided for us by the speech and drama classes. It was in these classes that we were able to get our first real glimpse of radio and "the theatah". We learned that it was not all bows and encores but a lot of hard work before the finished product was ever given for an audience.

Industrial Arts

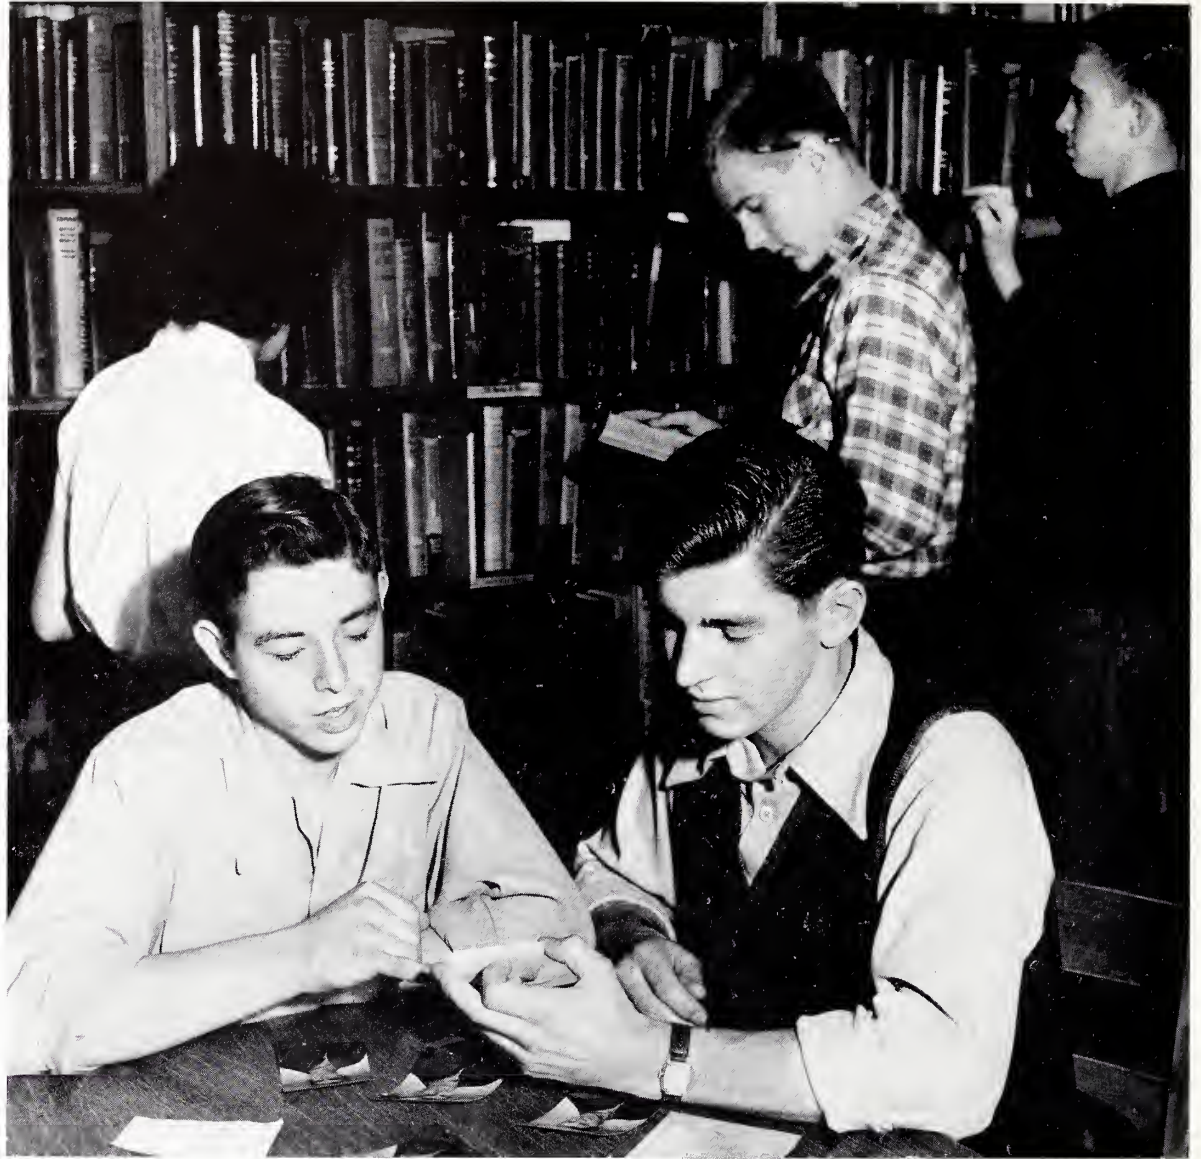

The shops, this year, have turned out their usual fine grade of work under some of the old teachers and some of the new. The boys come as little green freshmen and are turned out of vocational shops as apprenticed workers.

In their freshman year, the boys take a required Industrial Arts course, which gives them the fundamentals of most shop work. Then they are allowed to choose one course from which they will graduate.

Cooperation

The many projects that were carried on during the year gave each of us a chance to work with others as a group. One of the most important lessons we ever learned in school was one of cooperation. On teams, committees, and boards we learned to put the good of the group first, and we took especial pride in the achievements accomplished by united efforts.

and to follow

The leaders we had chosen directed us capably in many activities. When we needed an adult's advice, we had our teachers and class principals to turn to. We were content to learn from those who were older and more experienced, and we knew that help was available whenever we wanted it to depend on. We followed the fine examples we saw set for us, remembering through it all, our goal, which was to follow now, that we might one day lead.

personal accomplishments as well as those of the group. Many organizations gave us awards as recognition of our achievements. Among these were the Girls Club T pins, service award pins, and torch pins. In the field of athletics, the girls as well as the fellows were able to earn letters. These were presented by the Girls Athletic Association. We worked hard for these evidences of our success, and we wore our awards proudly.

became acquainted and built

When we first came back to school, we stuck close to our friends of last year. But as the days and weeks went by and we worked on different projects and attended various social affairs, we made new acquaintances and built sound new friendships. Not that we forgot our old friends—on the contrary, these friendship ties often became even stronger—but we enlarged our circle of friends and in doing so we found ourselves really enjoying our school life.

Not only did we build new friendships among the students, but we became acquainted with new teachers as well. For some of these teachers this year was their first year of teaching at Thornton. Others we met for the first time as we entered new classes. Still others we became acquainted with as we participated in activities which they were supervising. At times we didn't quite see eye-to-eye with the faculty, but our differences were usually quite trivial and in the end they were straightened out, to the satisfaction of both parties.

Traditions

were important, too.

We carried on traditions that had been instituted long before we came to Thornton. For example, after we stood in line to get these yearbooks, and had had a little time to look them over while they were yet unmarred, we began carrying out the old tradition of having our friends and teachers autograph them.

Activities

The activities that Thornton offered to each student were traditional. We found our individual tastes mirrored in a variety of clubs and we expressed ourselves while working on committees, publications, and in choral groups. We met others interested in the same subjects and we developed friendships to be treasured for years. Some of us had chances to become leaders, but we all learned qualities such as good sportsmanship and fair play. And, of course, there were the traditional teas and banquets at which we honored our parents and teachers.

"Everyone wants to get into the act" as Durante's saying goes. The KIP, Thornton's student council, is aiming at just that—to give students, as well as teachers, a chance to help manage school affairs. The initials

KIP were taken from the school motto "Knowledge Is Power". The acting units of the student council are the Board and the Forum, made up of representatives elected by the student body.

KIP, Thornton's Student Council

The KIP at Thornton has become almost indispensable—as may be seen by its numerous activities. Do you remember piling into buses that took you to out-of-town football games last fall? And remember the pep assemblies that increased your school spirit—the Lost and Found department where you could find almost anything except what you lost? The KIP was responsible for all these.

Oh, yes. And remember the famous CCCC campaign conducted by the KIP last fall? For weeks, posters, banners, and strange rumors kept you guessing, until an assembly was given with skits to illustrate the "clean campus, corridors, cafeteria" campaign.

The colorful posters that you saw in the halls all year round reminded you of coming events. The KIP was responsible for keeping those posters in the halls.

One of the biggest events sponsored by the KIP each year is the annual homecoming. This year "Injun Summer" weekend, a blaze of autumn fire and glory, faded and died as the Homecoming dance brought the weekend to a close.

The KIP, not a money-making organization, continues through the years to improve Thornton and keep its standards high.

All the girls of Thornton are eligible to belong to the Girls Club.

Those who take an active part are rewarded for their efforts each year at the annual Girls Club Installation Day ceremony in June.

At that time the new major and minor officers for the ensuing year are installed and award winners are honored.

Girls receive Torch pins for their work on the various committees, such as the one pertaining to welfare. This group makes trips to the Home for Incurables and gifts for the Oak Forest Infirmary and a small Tennessee school, which the girls have adopted. Members also receive torch pins for their work on the Refreshment Crew, which sells refreshments at the football games.

The club took part this year in other money making projects, including the Boys and Girls Club play, "Mother Is a Freshman," and the annual magazine drive, sponsored by the Curtis Publishing Company.

Girls who earned straight A's on their report cards were honored first at the Scholarship assembly, where they were presented with scholarship pins, and then at the tea. Lorraine Jennings, having earned seven semesters of A's, had her name engraved on the Scholarship pitcher.

From the very beginning when the Girls Club was organized in 1933, to this very day, it has endeavored to enrich the lives of the girls at Thornton. They learned to live the Girls Club pledge of being joyous, courageous, steadfast, truthful, dependable, just, loyal, and sincere in friendship. The Girls Club is truly a club of and for all Thornton girls.

Boys Club

The Boys Club is designed to assist every boy at Thornton to get the most profit and pleasure from his school life.

The club work is carried on by its board, whose members are elected by popular vote of the boys in the freshman, sophomore, junior, and senior classes. Four seniors, three juniors, two sophomores, and one freshman comprise the board.

The club projects, which are carried out by all members in the club, are the Bus Guards, who help protect the students on the buses to and from school, the Safety Squad, who protect the school grounds, the Campus Patrol, who help keep the campus clean, and the Hall Guards, who keep the halls free from distracting noises between periods. Another project is the Hi-Y, which helps the boys to get acquainted with those in other schools.

So that parents may see what is going on in school, the club sponsors two social gatherings, the Father-Son Stag and the Mother-Son banquet. Once a year the club has a dance for its members and their guests.

Together with the Girls Club, the Boys Club sponsors a play each year and a magazine subscription drive. The proceeds are used to buy talent for school assemblies.

Purple X Committee

The Thorntonite can't be found who hasn't heard of the Purple X Committee, the group that sponsors the Open Houses after the home football and basketball games.

The Purple X was organized in 1938 because of the need for some recreational activity after the athletic contests. At first the committee had no name. It was later suggested that school color, purple, be used along with X, the unknown quantity, standing for the unlimited functions of the committee.

Purple X consists of a group of students and teachers, each having an equal voice in the affairs of the organization. The membership committee, composed of a group of faculty members, selects outstanding boys and girls, who represent the student body, to be student members.

This year was the first year that Open Houses were held in the new gymnasium, and they all proved to be very successful. For each dance the chairman, Dave Olfe, appointed a student member to act as general chairman who, in turn, appointed a ticket and a coat room chairman. Twenty-five cents was charged each time for admission.

Some of the proceeds collected this year were used to buy a new Thornton flag and a new American flag for T. T. H. S.

Magazine Drive

The Magazine Drive is one of Thornton's principal money-raising projects. Sponsored by the Boys and Girls clubs, the drive is designed for the participation of every student.

As a reward for selling magazine subscriptions, students earn valuable prizes, ranging from pens to Bulova watches. The high salesman each day, this year, won a camera, and the high homeroom each day

won a box of candy. At the end of the drive, the student who had sold the most subscriptions won an "Oscar" for superior salesmanship and the teacher of the highest homeroom won a corsage.

Bill Edwards and Diane Bracy were the general chairmen of the drive, with Len Walburg and Lorraine Jennings in charge of prizes.

Projection Squad

If you should see someone walking down the hall with his arms loaded with little round cans and extension cords, and getting all tangled up in film, while dragging behind him a cart with several amplifiers on it, you will be sure that he is a member of the

Projection Squad. The crowning insult is for a hallguard to ask for a pass.

The crew shows more than 5,000 movies of various types to eleven different departments during the year.

QUILL AND SCROLL

Quill and Scroll is an International Honorary Society for High School Journalists.

To become a member of this organization, one must be at least a junior in the upper third of his class in general scholastic standing and have done superior work in some phase of journalistic or creative endeavor. Members are recommended by an adviser or committee governing publications and must be approved by the executive secretary of the organization.

Thorntonites who belong have had work published in the newspaper, the yearbook, or the magazine, Profiles.

BOWLING CLUB

Bowling Club was organized again this year, after being discontinued during the war. Besides the competition among themselves, the members of the club had three match games with Bloom's bowling team and won all of them easily. The three top scorers for the year were Georgette Hartman, Don Kaminski, and John O'Hara.

Writers, Twirlers, Bowlers

PIERIAN CLUB

The main purpose of the Pierian Club is to publish "Profiles," a magazine composed of short stories, poems, and essays written by students at T. T. H. S.

The first several months were spent choosing new members on the basis of writing skill. It was during the second semester that the club got to work selecting the material to be published.

After each member had read all the manuscripts submitted and the selections for publication had been made, the committee in charge arranged with the printer the layout of the magazine and completed all the paste-up work necessary. Profiles was at last ready to be published.

The faculty board of the Pierian Club is composed of Miss Poole, Miss Henderson, Miss Parenti, Miss Raglin, and Mr. Perry.

Click, click, click. It isn't a dancer clicking his heels; it's just the journalism students working away at their typewriters, getting copy ready for publication in Thornton's newspaper and yearbook.

The weekly THORNTONITE, which students receive every Wednesday morning, is the result of reporters dashing in and out of room 108, gathering news, collecting ads, taking pictures, checking copy, reading proofs and making the paste-up. In addition to the regular staff, dozens of underclassmen are used as cub reporters. They help in distributing the papers and occasionally take reporting assignments. They help mold a staff of more experienced workers.

The chief purpose of this weekly record is to build good school spirit and to make firm the excellent relations between the school and community.

The THORNTONITE yearbook began in 1914 and has appeared every year since then. The aim of the book is to record all of the major events that each year brings to Thornton. The finished product represents much work in planning layouts, writing, editing, typing copy, and securing advertisements. A photographer can frequently be seen walking through the halls of Thornton, carrying his equipment to the appointed spot. Here is one more way in which the story of Thornton is recorded.

JUNIOR RED CROSS

This year Thornton turned Santa Claus and began its first annual Red Cross Christmas project.

The students in general, plus the Boys Club, the Girls Club, the Spanish Club, the Purple X, and the KIP, donated money and gifts to the Red Cross. The money, approximately one hundred and ninety-three dollars, was used to buy more gifts. Two large boxes were needed for the many comic books, story books, magazines, games, and other such articles.

Each home room sent a representative to wrap the packages and to make embroidered Christmas bags, later filled with the necessary items that service men would use. The gifts were sent to veterans in hospitals and to children in foreign countries. This project was part of a nationwide movement of the Red Cross in all the high schools to bring Christmas cheer to unhappy people.

Sponsors of the Red Cross at Thornton are Mrs. Fox, assistant school nurse, Mr. Sturm, Miss Seebach, Mrs. Harms, and Mr. Burdine.

CAMERA CLUB

One of the many instructive clubs in Thornton is the Camera Club. It is sponsored by Mr. Bricker and has its own dark room facilities for members to use.

This year the Camera Club exhibited a group of pictures near study hall 209. These pictures were sent from Eastman Kodak Company and were used to publicize the National Photo Contest.

At their meetings, club members study the methods of developing and printing pictures and view slides and movies.

CAMERA CLUB OFFICERS

Tom Sponsler, treasurer, Russell Vernon, president, William Aldridge, vice-president.

RHYTHM AIRES

The Rhythm Aires is a dance orchestra composed mainly of Thornton seniors. The group was formed a year and a half ago with only a few members but has grown considerably in size.

The boys played at Purple X dances, parties, and even political meetings. They now have a vocalist, whose picture does not appear, but he may be heard whenever the band plays.

Most of the boys in the organization won prizes in the district music contests given last year at Thornton and this year at Blue Island.

Stan Siegel found it hard to keep time with his foot after he hurt his knee in gym. How Stan solved this problem is unknown, maybe he used his crutch. Ronnie Tinder caused a little concern when he lost his sax and had to borrow another. Otherwise, the year went off smoothly and the fellows gained in confidence and technique.

"Mother Is A Freshman"

Presented by the Boys and Girls Clubs

On November 17 and 18 the Boys and Girls Clubs presented "Mother Is a Freshman", a hilarious comedy about one Abigail Fortitude Abbott (Karen Hellstrom) who goes to Pointer College on a scholarship. Difficulty arises when her daughter, Susan (Mary Churchill), learns that her mother is to be a freshman at the same school where she is to be a sophomore.

Dean Gillingham (Harlen Brown) is positive that Abigail is entering the college for illegitimate reasons. Professor Michaels (Bob Helfrich) falls in love with her and prevents her from being expelled. When Susan learns that her mother is to marry Professor Michaels, she declares that she loves Bobo (Bob Kinsella).

A unanimous sigh of relief was uttered by the members of the cast as the curtain fell on the second performance. There was relief from the weeks of study, tryouts, memorizing, rehearsals, and planning on the part of the cast and their director, Miss Collette Hurley.

The cast weren't the only ones whose worries were over at curtain fall. There were those who worked for hours on the various committees preparing scenery, light changes, costumes, properties, make-up, and publicity. Then there were ushers, advisers, business managers, and committee chairmen.

Yes, it was work, but it was fun, too, and everyone thought the play was well worth it.

PLAY COMMITTEE

The play committee chairmen of the Boys and Girls clubs were the actors behind the scenes. They painted scenery, worked lights, prompted, took care of the curtains, sold tickets, ushered, and did the many things that helped make the play a success.

THE 54's

Freshmen lost no time in getting organized. By October they had a band composed of boys from their class. They played at the freshman assemblies and at the freshman party.

MEDICAL ARTS CLUB

Young aspiring nurses, doctors, and dentists joined the Medical Arts Club. They also visited hospitals and donated to the Red Cross. An important event was the arrival of their new pins.

LANGUAGE CLUBS

Language Clubs were very popular. Crazy initiations, silly skits, and good refreshments were the passwords. Parties were celebrated as our foreign neighbors celebrated them. At Christmas the Spanish Club had the traditional Mexican pinata. French Club members ate the "Yule Log," and had a French puppet show. Kris Kringle came with "Der Taunbaum" to the German Club party, and feasted on the famous German pastry. In May the Latin Club had their annual Circus Maximus, with Roman games and food.

Kappa Chi

Kappa Chi, a Tri-Hi-Y club sponsored by the Y. M. C. A., is open to sophomores, juniors, and seniors. Kappa Chi was busy this year with planning a float for the Homecoming parade, giving an "Etiquette Dinner" and formally inducting new members interested in promoting "Christian ways of thinking". Each year the club gives a spring dance.

Tritons

Tritons, strictly a junior class branch of Tri-Hi-Y, makes it the club's business to do service for others and to promote good citizenship. This year the club joined with the Hi-Teens to give "My Blue Heaven", an all school dance, at the beginning of the school year.

Hi-Teens

The Hi-Teens, a Tri-Hi-Y Club open only to sophomores, lives up to the standards set for all Y clubs. This year the club's major activities consisted of having a float in the Homecoming parade and co-sponsoring "My Blue Heaven".

Hi-Y

Friendship is the purpose of the Hi-Y Club, a fellowship open to any boy in high school. Besides private parties, the Hi-Y held a teenage dance this year with the Thorntoneers playing.

Hi-C

The Hi-C, open to anyone in school, has been busy this year. A float in the Homecoming parade, a hayride, and a Christmas party are a few of the club's activities.

United Nations Club

The U. N. Club, which could be labeled an international relations club, is open to any student interested in discussing world problems of today. The "Crusade for Freedom" last fall was sponsored by the U. N. Club. Besides this project, the club had a square dance.

Programs for the meetings vary. Outside speakers are called in, movies on other countries are shown, or panel discussions by club members are given.

Service Organizations

LIBRARY ASSISTANTS

The library assistants, as the name implies, help the librarian. They check books in and out, return books to the shelves, trace missing books and lost fines and help with all the endless clerical work that keeps a library running smoothly.

NURSE'S OFFICE

After an illness every student must report to the school nurses, Miss Lieb or Mrs. Fox, before he can be admitted to classes. The nurses have assistants to help them during the busiest periods. After very cold weather or an epidemic, one can see a line of students extending from within the nurse's office to the end of the corridor.

PEDAGOGS

Pedagogs is the Thornton chapter of the Future Teachers of America. The group meets every two weeks throughout the year. Panel discussions and talks by faculty members at TTHS are features of the meetings. Most popular social functions are their square dances.

JUNIOR RED CROSS COUNCIL

The Junior Red Cross Council is something new this year. Representatives were chosen from each homeroom because the JRC is an organization that represents the whole student body. The council sponsors projects for the needy throughout the school year. Most of their gifts are sent to Europe and to boys overseas.

The Band

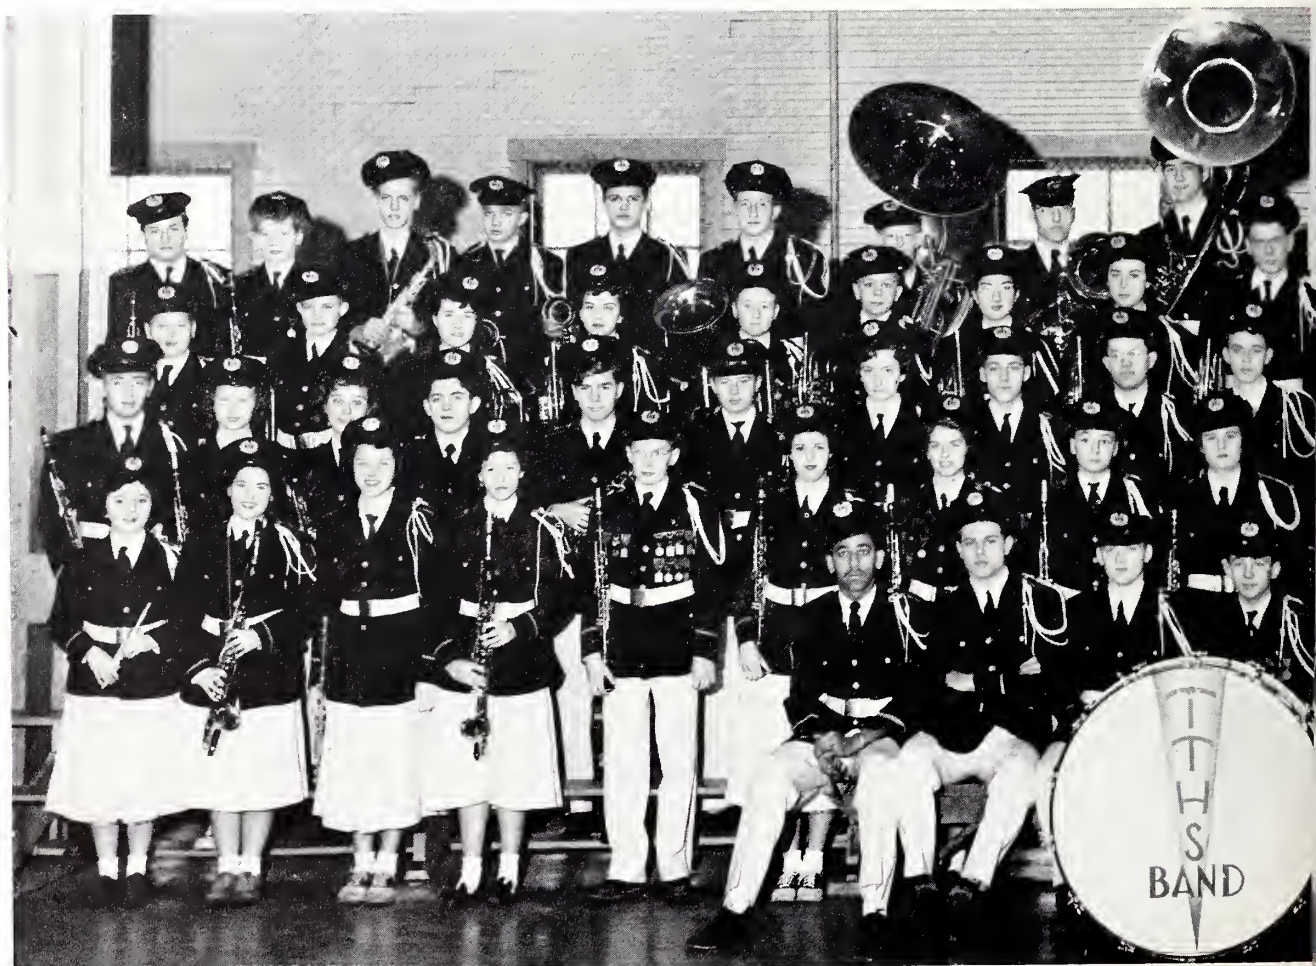

One of the outstanding features of the Music department is the T. T. H. S. band, directed by Mr. Lyle Hopkins.

This year the band played at all the basketball games and, as usual, at the football games. Between halves of the basketball games the band played many novel tunes which the people joined in singing. During the haltime intermission of the Homecoming game, the band presented a fireworks display and showed off its snappy formations.

For the first time the band sponsored a grade and high school Band Festival, drawing players from many of the grade schools in Thornton Township.

The band accepts requests to participate in parades such as the Oak Forest American Legion and the Riverdale-Dolton Little League opening baseball game.

The band marches in several parades each year, including the Halloween parade, the Homecoming, Armistice Day, and Memorial Day parades. The group also plays at Flag Day ceremonies, Honors Day, and Commencement.

VARSITY TWIRLERS

One of the highlights of each home football and basketball game this year was the Varsity Twirlers, or majorettes.

Their snappy formations, style, and outstanding uniforms were symbolic of their every performance. Stand-outs such as Joan Hillegonds and Carol Steere, adding their skills during each appearance of the twirlers, made it a pleasure to watch them.

The girls appeared in many important activities this year, including the Homecoming parade, Armistice Day parade, Hallowe'en and Memorial Day parades.

Orchestra

The T. T. H. S. orchestra, under the direction of Mr. Jack Pernecky, has performed on many occasions. They played at the dedication of the Markham School, for the Optimist Club Forum, for the Band and Orchestra Parents Association, for high school and junior college plays, the Christmas concerts, the Spring Festival, and school assemblies.

The Concert Orchestra had a continuous flow of new pieces at their eighteen performances, varying from the early classical period to the modern period.

The Band and Orchestra Parents Association has purchased dress uniforms for the entire organization.

VOCAL MUSIC

Thornton's vocal groups provided much talented entertainment for both the community and students this year.

Miss Prudence Thompson directed the Freshman Girls Glee Club, Girls Glee Club, Girls Choir, and Keydets.

Under the direction of Mr. Walter Armbruster were the Boys Glee Club, or Mastersingers, the Mixed Chorus, and the Madrigal Singers.

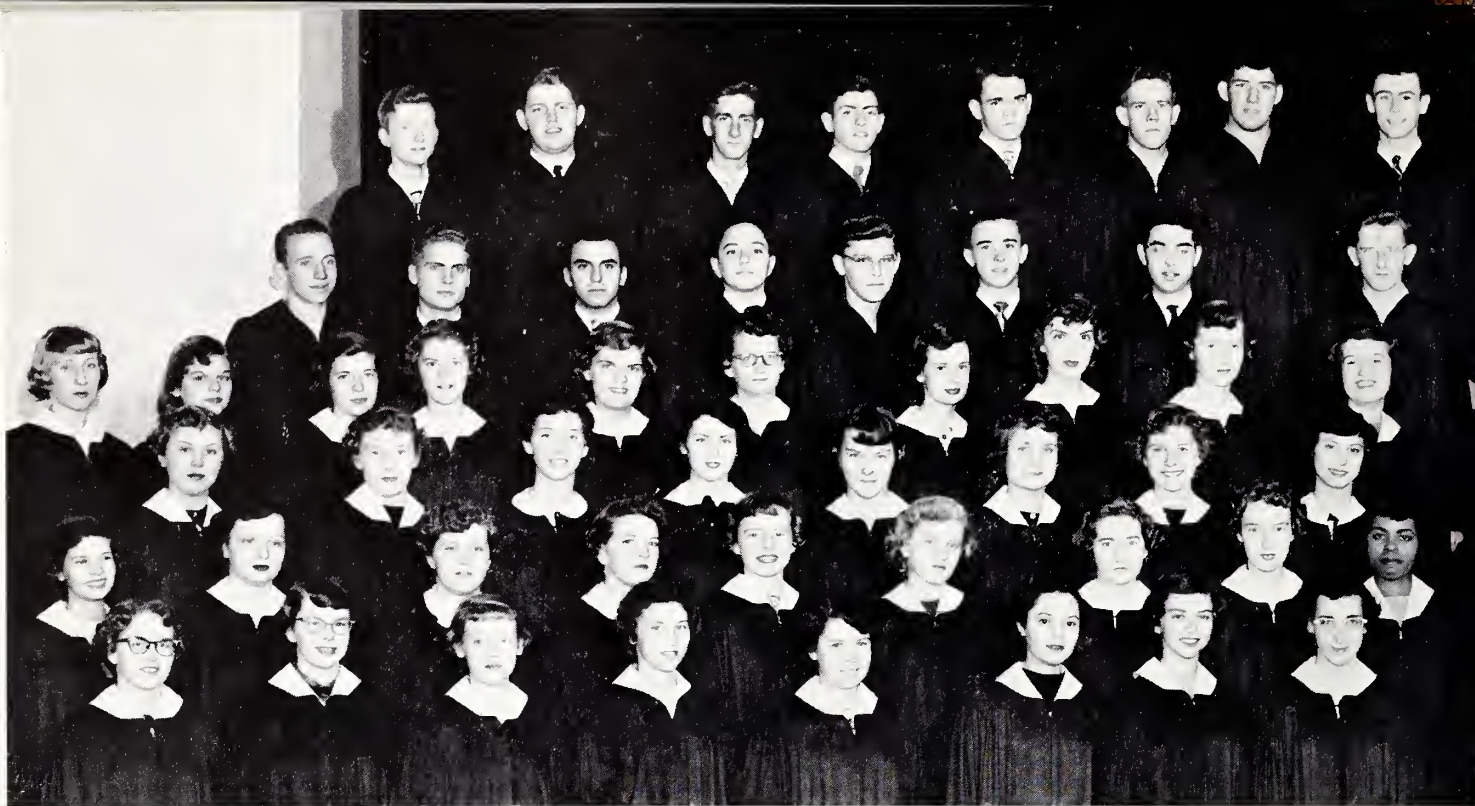

Outstanding singers from the choir and chorus made up the Keydets and Madrigal, respectively. They performed at various school and community functions.

All the vocal groups sang at the Christmas concerts on December 17 and 19, the Spring Festival on May 20, and at school assemblies. The Chorus also sang at the birthday party for Dr. McVey on December 13.

Athletics

With the \$1,350,000 gymnasium in use for the first full year, athletics took a step forward. At the beginning of the year, a pep rally was held for the whole school. Formerly, the traditional rallies were held on the football field or were given to each class separately in the auditorium. This year the Wildcats successfully used a new football field. The Flying Clouds were cheered on to victories in the huge gymnasium and in March the regionals were held at Thornton. The new gym became a Thornton tradition.

Service Groups

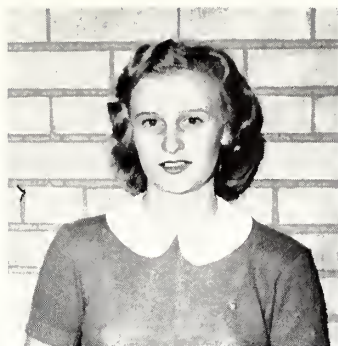

It required more than teams to keep Thornton's athletic and physical education program going

There were the cheerleaders who boosted spectator and team morale at the games. The Lettermen's Club managed the refreshment concessions at the basketball games. Game ushers kept people in order at all the events. Faculty helped as ticket sellers and takers. A wrestling queen and a swimming queen publicized meets in those two sports.

Intramural basketball for the boys and G. A. A. sports for the girls supplemented the regular physical education program at T. T. H. S. The gym exhibition, a new thing at Thornton, showed the public that the big new gym was more than just a place to hold athletic contests between schools.

Cheerleaders are chosen by tryouts each spring. Those elected must improve through practice and experience to remain on the squad and to advance to varsity rank.

Lettermen's Club members are winners of varsity letters in various sports. The main project of the club is to make money to finance the banquet held in May.

WILDCATS

The Wildcats of Thornton enjoyed a highly successful season by winning seven of their nine games and by sharing the league title with Blue Island and Bloom.

Strengthened by twelve returning lettermen, Allen Erickson, Walter Gray, Ken Groeneveld, Don Howe, Richard Ireland, Joe La Pointe, Richard Lincoln, Stan Morris, Dave Olfe, Jim Reichert, Don Ring, and Bob Wentz, the Wildcats displayed outstanding teamwork and power.

Thornton rolled over their first six opponents before losing a tough battle to Leyden. They subsequently regained their stride to upset the highly regarded Sterling eleven, but lost to their traditional rival, Bloom, in a hard fought battle on a snow-covered gridiron, to climax a victorious season.

FOOTBALL COACHES

Tiny Huddlestun, Frank Froschauer, Frank Bauman.

Coaches Tiny Huddlestun and Frank Froschauer awarded letters to thirty football players at the end of the season. Those who received their first varsity letters were Wayne Ethridge, Leroy Cooper, Jerry Woulfe, Morris Fernandez, Francis Mech, Don Abbott, Jim Clark, Larry Johnson, David Banks, Roy Johnson, Dick Murawski, Jack Krug, Margarito Carreon, Bill Edwards, Everett Nicholson, Denny Simon, Fred Turner, Dick Macari, and Dick Evans.

Jim Reichert, Thornton's powerful full-back, gained second place in the South Suburban League scoring race with 28 points on three touchdowns, seven extra-point kicks, and a field goal. Jim and his teammate, Bob Wentz, were chosen for the League All-Star team. Dave Olfe, Leroy Cooper, and Wayne Ethridge were chosen to the second team.

FROSH - SOPH FOOTBALL

The Wildkittens played a brilliant season this year, winning six games, losing one, and tying one.

The Kits tied Cal City for first place in the South Suburban League, each team having three wins, no losses, and one tie. Much of the credit for these victories goes to speedy, hard-driving Ed McChristian, half-back, who at the end of the season was unanimously elected captain of the team.

None of these victories could have come about had it not been for the expert coaching of Bob Blaha and Ted Czech. Under the critical eyes of these men, the team took shape and proved to be one of the fastest teams on the field this year.

A total of thirty-four players and two managers received letters at season's end and will return next year to bid for a place on the varsity squad.

Abbott is brought down as he charges through the line.

Howe dashes through the snow to evade a Bloom tackler.

Ring sets up a block for Abbott as he skirts the line.

Olfe races to tackle Rice of Bloom as Wentz misses.

Frosh Football

Another of Thornton's outstanding and powerful teams was its freshman squad.

These green kids, under coaches Jack Robinson and Bart Barwis, turned into a hard fighting team. Their record this season listed four wins, one loss, and one tie.

Such outstanding players as Dave Benson, Alex Niemiec, Dave Hansen, Brooks Young, and Cedric Banks were reason enough for the good record. Captain of the team was John Allison.

Basketball

All of Thornton's quintets gained new laurels and added prestige during a highly successful season. Their combined efforts produced an amazing total of fifty-six victories and twelve losses.

The new gymnasium was the main factor in the success of all teams. Their fine, well-equipped new building gave Thornton's coaches added athletic facilities necessary to produce championship teams. Season's highlights were both the varsity and sophomore quintets winning the South Suburban League crowns, while the freshman squad went through their eleven-game schedule undefeated.

Coach Tom Nisbet's Flying Clouds were rated among the top fifteen teams throughout the season and were highly regarded in the state as an outstanding team.

Fresh-Soph teammates—Hal Oppenhuis, Captain Jake Keenan, Jack West, Jim Clark.

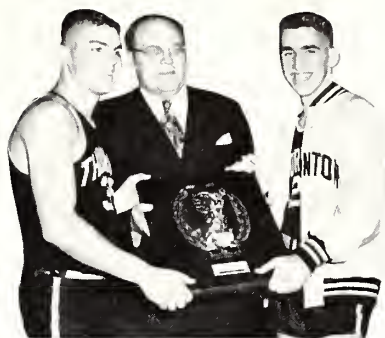

Flying Clouds

This year's Flying Clouds possessed uncanny shooting ability, exceptional height with plenty of reserve power, and the spirit to come from behind to win. All of these important assets, coupled with Tom Nisbet's coaching ability, produced an enviable season record of twenty-two wins and five losses.

Thornton's Flying Clouds started the 1950-1951 campaign in high gear by rolling over their first eight opponents, before being stopped by a power-laden La Grange quintet. Thornton regained their stride by winning their next eight consecutive contests. The Clouds then dropped one to Quincy, which captured third place in the state finals, and went on to crush Blue Island and Cal City. Lockport handed the Clouds their first and only league defeat, but Thornton rolled over Kankakee in the next game to win the league crown. This was Thornton's tenth championship and eighth undisputed title since entering the league. Last year the Flying Clouds shared the crown with Argo.

Playing before capacity crowds in the new gym, Nisbet's cagers won their own regional tourney and advanced to the Joliet sectional.

its new gymnasium. The Clouds staged a thrilling last-period rally to overcome a nine-point deficit and nip Joliet, 39-38. Jim Reichert supplied the game-winning basket with less than four seconds remaining.

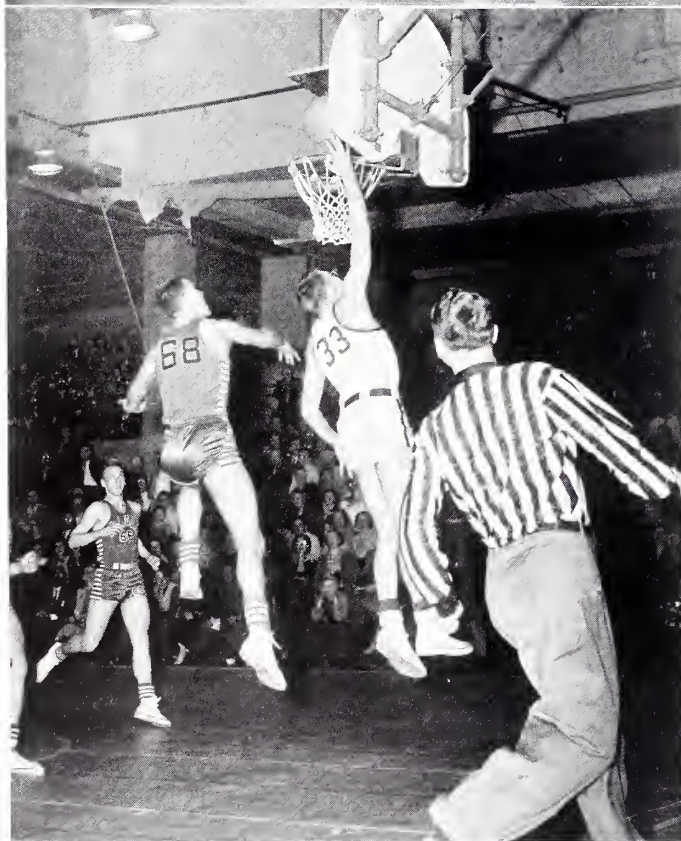

Thornton edged their old rivals, the Bloom Trojans, 52-51, in a nip and tuck semifinal contest. Duke Wessman's free throw in the final minute of play was the margin of victory. The high flying Clouds rolled over Lockport in the regional final 61-45, to advance into the Joliet sectional.

Bradley High School ended Thornton's chances of reaching the Sweet Sixteen tourney by dealing the Clouds a 49-45 loss in a hard-fought ball game.

Sophs, Frosh, JV's

Coach Bob Blaha's Wildkittens piled up an amazing record of fifteen wins and three losses during the season's play. They topped the South Suburban League with an eleven and one record. The Kits possessed a knack of winning close ones, as evidenced by their four overtime wins in league competition. The Wildkittens averaged 39 points per game offensively, while holding their opponents to a 34-point average.

Coach Sterling Scott piloted the Junior Varsity squad to an impressive eight and four record. The JV's downed Blue Island

and Joliet twice, Cal City and La Grange once, and lost to Moline and Danville, while splitting with Bloom and Kankakee.

The Frosh basketball team, under the leadership of Coach Frank Bauman, completed a tough eleven-game schedule without suffering a defeat. Sparked by guards Verne Allison and Al Lowery, the Frosh registered double victories over Blue Island, Bloom, Cal City, Kankakee, and Joliet, and a single win over La Grange, to gain their phenomenal record.

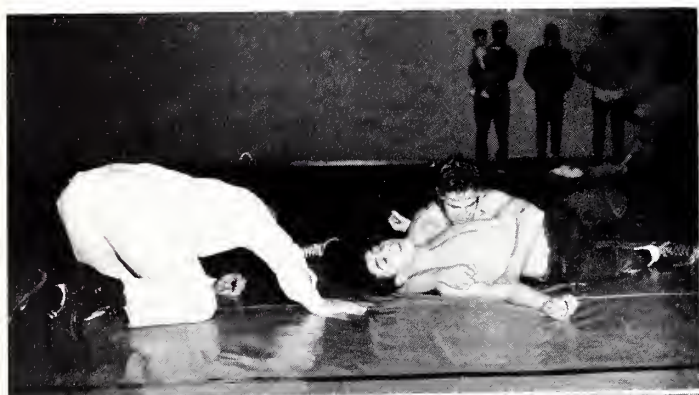

Wrestling

The Varsity wrestling team seems to be improving each year, as the records will prove. This season the grapplers put six wins, four losses, and one draw into print and also had some very fine individual showings. Four men went downstate to vie for the Number 1 mat position in the 120, 133, 138, and 145 pound weights. Chuck Detmar and Dave Caldwell came back with thirds, while Mike Jurek and Ev Willmer lost their first bouts. Willmer is only a sophomore and will have two more cracks at the title

The Frosh squad, led by Coach Jack Robinson, had a terrific nine-win, no-loss year. No less spectacular was the number of points they racked up, and the few points the opponents scored. Coach Robinson has developed a pin complex for his boys. Twenty-five pins by five men show this to be true. The Frosh scored 300 points out of a possible 400.

Swimming

Led by Honorary Captain Richard Ireland's steady, winning performances, Coach Froschauer's mermen completed a splendid season with nine wins and two losses. The two losses were suffered at the hands of Highland Park and Hammond High.

This year's mermen were the first to use the new pool and took good advantage of it by taking the South Suburban title with 60 points. Cal City had 52, Argo 34, Blue Island 14, and Kankakee 2.

Although the swimmers did have a wonderful season, they still couldn't qualify in the preliminaries of the state swim meet when they sent their best swimmers, Jack Spuck, Russell Vernon, Edmund Stanwich, and Richard Ireland.

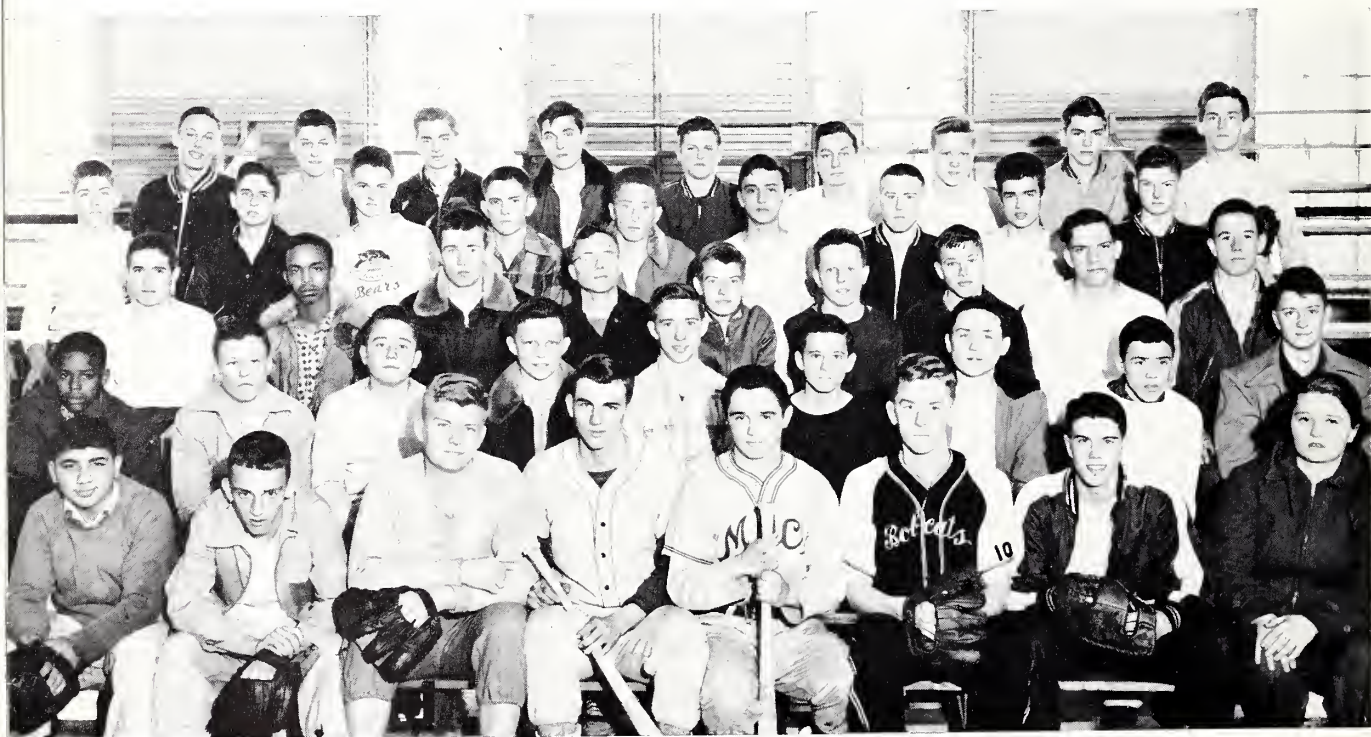

Next year the team stands a good chance with Jack Spuck, who didn't lose a race in league competition this year.

Intramural Basketball

Something new was inaugurated this year when Mr. Mendenhall started an intramural basketball program.

This program was designed to train better players and to satisfy those boys who do not have sufficient talent to play on the school teams.

Every homeroom represented its class in the games. The teams were split into three different sections and played off until they found the winner of the freshman, sophomore, junior, and senior classes.

The whole set of games was won by the junior team, representing homerooms 142 and 113. They beat the senior team, representing homerooms 120 and 325, by a score of 57-43.

Mr. Bauman's class practices push-ups.

Ray Goebel became expert on the trampoline.

Gym Exhibition

When Mr. Mendenhall sent out a call for clowns and gymnastic experts to highlight the Gym Exhibition, scheduled for April 27, the response was good.

Physical education classes, both boys and girls, planned and practiced exercises and games which would demonstrate to the public what the department was accomplishing. Each physical education instructor was responsible for one act on the program. Between four and five hundred students in the gym classes participated.

Boys Physical Education

The completion of the new gymnasium enabled the athletic directors to expand the physical education program to suit their needs.

Every student was required to take five days of physical ed, instead of the previous two. This gave the instructor an opportunity to become better acquainted with each of his students. It also gave each student a chance to adapt himself to his director and to the particular sport in which he was engaged.

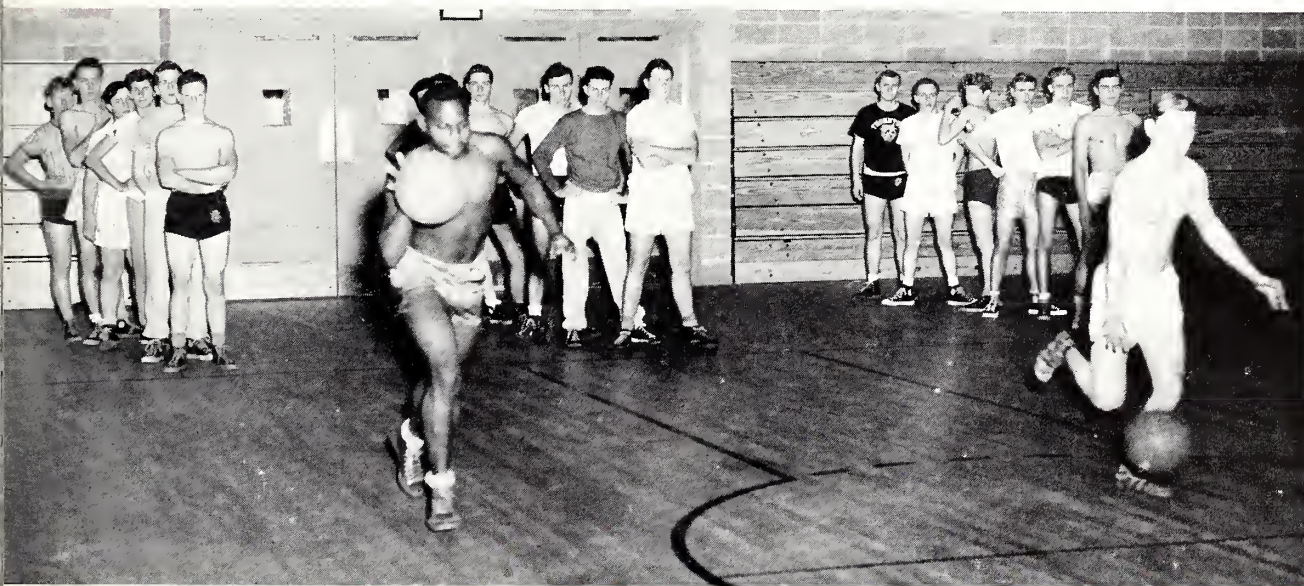

The boys were segregated into age groups, seniors among seniors, freshmen among freshmen. Each class studied one particular type of athletics for nine weeks, after which he was transferred to a different sport with a different instructor.

The four courses offered during the year were touch football and indoor games, basketball, tumbling and wrestling, and swimming.

Mr. Huddleston's class acquire wrestling skills.

Mr. Nisbet's group try dribble relays.

Miss Gallegos demonstrates to her class how to breathe while swimming the crawl stroke.

Girls Physical Education

The Girls Physical Education department was helped in its activities by the addition of three new teachers, Miss Marian Hirst, Miss Flora Gallegos, and Miss Lorraine Frezza.

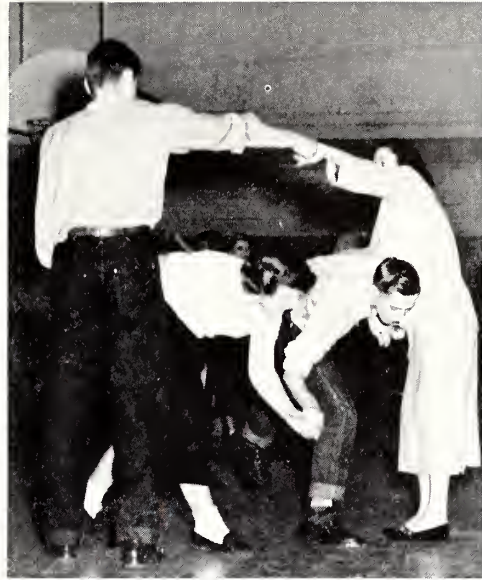

A new system was used by which each girl was assigned to a gym class every day.

Sport and rhythm classes were held in the new gym, swimming in the girls pool, and freshman and senior classes in the girls gym and in the fieldhouse.

The freshman girls participated in swimming, relays, and exercises. On two days of the week they took part in discussing health subjects and problems.

Senior girls participated in badminton, ping pong, archery, square dancing, and swimming. They learned how to give a successful party and discussed many problems that the girls had in mind.

Gym leaders were chosen to take attendance, referee games, help the girls attain skills, and assist the teachers in general.

Girls Athletic Association

G.A.A. BANQUET

New members serve the old.

The Girls Athletic Association tends to make fair players, leaders, and good sportswomen. The G. A. A.'s 1951 season featured five sports.

Officers elected were Carole Harrison, president, Kay Guilotte, vice-president, Darlene Miller, treasurer, and Jean Kruger, secretary.

The year started off with baseball, headed by Angie Acquaviva and Lorraine Bechtel, and ping pong with Arlene Ring and Lorraine De Haan as heads.

Baseball and ping pong were followed up by badminton with Joyce Harper and Dorothy Koblesky, heads, and swimming, with Dolores Shower and Kay Guilotte as leaders.

Then came the G. A. A. Fair, Karnival Kapers, with Linda Wipior as its general chairman.

After that came volleyball headed by Darlene Miller and Sarah Stewart. The girls out for the sport were put on teams, sixteen in all, which participated in a tournament. The varsity games followed with the juniors, captained by Clara Krause, beating the sophomores by a score of 33-30 in the final game.

The basketball banquet, Gay Nineties Hoopsters, was the main event of the basketball season. Angie Acquaviva was the general chairman. The regular basketball season had as its heads Carole Harrison and Phyllis Ehlert.

Track and lifesaving ended the school year. Track was headed by Caryl Kennedy and Betty Lallak, lifesaving by Jean Kruger and Joan Guilotte.

People

The human element of Thornton, the people who make our school the fine institution it is, carried on as they and their predecessors have done for fifty-two years. The administration supervised the daily activities. The faculty taught us more than “book-larnin’” and by June we felt better prepared to face the world. Working efficiently, the staffs kept things moving smoothly and swiftly, but for the seniors, the year went all too hastily. Much was accomplished, however, and dreams became realities, thanks to the people of Thornton.

Administration

MR. T. R. BIRKHEAD
Superintendent of TTHS

MR. J. B. STEPHENS
Assistant Superintendent

Mr. Theodore R. Birkhead came to Thornton as superintendent in the fall of 1950. Prior to this he was a science teacher and class principal at TTHS from 1937 to 1942. During his absence from Thornton, he was superintendent of the Antioch Township High School in Antioch, Illinois. Mr. Birkhead completed his bachelor's degree in 1930 at Illinois State Normal and his master's degree at the State University of Iowa in 1938.

Mr. Joseph B. Stephens, assistant superintendent, has been a member of Thornton's faculty since 1924, when he came as a physics instructor. During this time he has been a class principal and business manager at TTHS. Mr. Stephens received both his bachelor of science and master of arts degrees from the University of Chicago.

Board of Education

Formulating financial and educational policies for T. T. H. S. has kept the Board of Education busy not only at its monthly meetings but in between times, too.

Sponsoring a dinner for the faculty members of T. T. H. S. and T. J. C. was an important good-will accomplishment of the Board this year. Their honor guest was Dr. Maddox, who is completing his twenty-fifth year at Thornton. Other faculty members who have served more than twenty-five years were special guests.

Mr. George Gibson and Mr. Walter Haines retired this spring from the Board after many years of faithful service. Mr. George H. Meyer and Dr. Clarence Simon were elected to fill their places.

Mr. Gibson, president, served on the Board for thirty-nine years. He is a retired

business man, formerly the president of the Chicago Steel Car Company.

Mr. A. H. McDougall, a salesman engineer, has been a member of the Board for thirty-eight years. He is now with the firm of Manning, Maxwell, and Moore, Incorporated.

Mr. Walter Haines, Thornton Township tax collector, has completed twelve years of service on the Board. He is a resident of Harvey.

Mr. Edwin R. Waterman has given his services to the Board for ten years. He is a farmer and banker in South Holland, where he resides.

Mr. William B. Kane, an attorney, has served one year as a member of the Board. He is a graduate of Thornton Township High school and Junior College.

Faculty, Parents

FACULTY ASSOCIATION

The faculty at T. T. H. S. and T. J. C. are represented in school affairs by the Faculty Association. Newsletters for the members and informative newspaper articles for the public are two of the projects of the group. Salaries that keep pace with the cost of living index are the goal of the salary committee. Parties to further good fellowship are the business of the social committee. Current legislation, both local and national, and teacher welfare are the concerns of other committees representing the whole group.

PARENT - TEACHERS ASSOCIATION

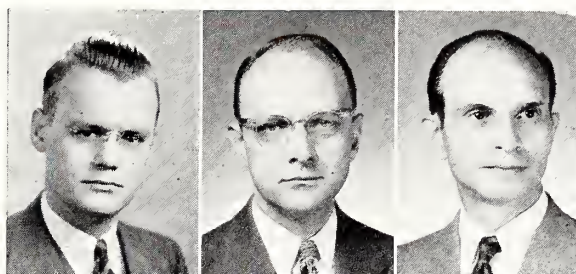

Better relations between faculty and parents are the business of the Parent-Teachers Association. Both groups are represented among the officers. The annual open house, "Meet the Teachers" night, gives parents an opportunity to become acquainted with their children's teachers. Informative monthly meetings are followed by a social period. A variety show, presented each fall, draws on faculty, student, and parent talent.

Faculty

Through the help of our friendly and sympathetic faculty, we became better citizens, both in school and out. What we learned in the classroom we put into practice after school and at home. To mention a few examples, the things we learned in our home economics classes we put into use at home. Our social studies classes were very important in that we learned the fundamentals of our government and laws, and how to get along with and understand others. In our language classes we became acquainted with the customs and languages of other countries.

Our teachers showed understanding in all matters whether they were large or small. They helped us with our problems both in school and out and gave much of their extra time by sponsoring the various dances and clubs. They proved themselves to be excellent teachers, but what is more, they proved that they were our friends.

MAINTENANCE AND CAFETERIA

The Maintenance Staff is made up of all the men and women who keep Thornton clean and in good repair. They are under the supervision of Mr. Parish, building superintendent. They set up the microphone, the chairs, and anything else that might be needed for school assemblies. They come in a hurry when a light burns out or a fuse blows. They keep an endless supply of paper towels for the wash rooms.

The Cafeteria Staff, under the direction of Miss Waterman, assisted by Mrs. Lyon, feed the hungry mouths of Thorntonites. Before a holiday vacation, such as Thanksgiving, a special meal is served. The staff prepare all the food for the Mother-Daughter banquet, the Father-Son Stag, and numerous other banquets and parties during the year.

Advertising

As in former years, the men and women who manage the shops and stores in our towns advertised in the newspaper and yearbook. They recognized the value derived from placing ads in Thornton's two publications and the value of friendly relations that developed between Thornton students and merchants. Without their monetary aid, the Thorntonite would not have been possible — willingly they paid the higher prices because costs had risen during our country's crisis and because advertising had become a more valuable source of revenue than ever before.

PURPLE X DANCES

*Listen, my children, and you shall hear
Of a world-shaking day in a far-away year,
'Twas in nineteen hundred and thirty-seven,
When the thought of going straight to heaven
Right after the basketball games and such
Seemed to please Thornton students much.
For as soon as the final whistle blew
And they wanted something else to do,
They'd dash to the street, and with absolute scorn,
(Ignoring each motorist's shrill-blasting horn)
Would snake-dance through town, all hands clasped tight,
And often continue far into the night.
However, their imminent heav'n-ward ascension
Was luckily stopped by the quick intervention
Of the deans and the students and P.T.A. too,
Who met to decide just what Thornton should do.
And out of these meetings came Thornton's big chance—
The idea of having a Purple X Dance.
Though fourteen long years have gone by since that day,
Purple X is still here and, we hope, here to stay,
So, with just one more line will our poem be done—
Our sincerest good wishes to Class 51!*

INDIANAPOLIS ENGRAVING COMPANY • INC.

AN ENVIABLE RECORD

**Since 1906 OF PRODUCING
BLUE RIBBON
ANNUALS**

"Blue Ribbon" is not merely a trade name or slogan, adopted for advertising purposes. We didn't just pull it out of a hat. *We earned the right to use it!* In competition with annuals submitted in State, Sectional, even National contests, since 1906, Huston-Patterson yearbooks have been rated tops — year, after year, after year.

And so, we're proud and determined . . . proud of our past record — determined to make future accomplishments even better.
